EDUCATION

September 2013 - February 2016

History Bachelor, BA *University of Amsterdam*

Bachelor of Arts in History, commenced during my bachelor Political Science. My interests focus on modern and political history. My thesis related framing theory to the Dutch memory of the Indonesian War of Independence also known as 'Police Actions' in the Netherlands. GPA: 8.0

September 2010 - June 2015

Political Science Bachelor, BSc *University of Amsterdam*

Bachelor of Science in Political Science with a minor in political theory and behaviour. My thesis outlined fundamental conflicts between capitalism and democracy. GPA: 7.3

I am a young and curious historian and political scientist, who likes to get his teeth into complex issues. I am a versatile and engaged researcher, trained in both the social sciences and the humanities. I have a passion for research that lets me combine these two fields. Through my work experience and various extracurricular activities, I made many contacts and gained experience in policy processes. I have a high sense of responsibility and am proficient in stimulating and motivating people. I work accurately and perform well under pressure. My experiences, academic or in working capacity, have made me resourceful, stress resistant and versatile. I want to develop myself as researcher who gets down to brass tacks.
